

Contact Persons for Suppliers

Electronic Data Interchange

ThyssenKrupp Presta Steering Group

1 Introduction

This document provides information for suppliers about contact persons for Electronic Data Interchange with the ThyssenKrupp Presta Group.

The responsibility is divided in two groups:

- central technical data connection for receiving and sending EDI messages
- message generation and monitoring at each site

2 Technical contact

2.1 OFTP Data Connection (plant independent)

All EDI Messages are sent and received by Hewlett Packard Services in Dortmund, Germany. For any technical questions or problems please contact the EDI support:

Name: HP OneLink EDI Services
Email: onelink-edi@dx.com

2.2 Message Syntax, Guidelines and Global Coordination
